I have to inform you that the Inspector General of Prisons has stated that he has no objection to alienate the land (S.No.432/2 A.part) in question, as it is required for a road only and not for building purposes. Hence, the land may be acquired by you and handed over to the municipality.

The Inspector-General of Prisons has further informed me that no records were forthcoming in his office also as to when and how S.No. 432/A.2 came into the possession of the Jail Department.

It is presumed that the Municipality will make early arrangements to close the open well existing in the alienated land.
